Worldwide Equipment Guide: Air & Air Defence Systems

Worldwide Equipment Guide: Littoral Systems

AMENDMENTS

Worldwide Equipment Guide: Ground Systems

Worldwide Equipment Guide: Air & Air Defence Systems

Worldwide Equipment Guide: Littoral Systems

Note to Exercise Designers, Instructors and Training Audience/Students

1. The South Torbian Green book is intended to be used with the OP BRONZE ACHILLES (OBA) campaign plan.
2. Not all Republic of Torbia (RoT) capabilities will be reflected on this Green Book, only those relevant to OBA.
3. More information on the Force Structures of the RoT can be found in ODIN, in addition to the PMESII-PT variables - links below:

https://odin.tradoc.army.mil/FS/PACIFIC/SOUTH_TORBIA/3_ARMY

<https://odin.tradoc.army.mil/DATE/Pacific/South%20Torbia>
4. Details of these organisations continue to evolve. The ORBATs described within this Green Book will be updated by the Training Adversary System Support Cell (TASSC) within the Directorate of Training Systems at HQ FORCOMD as new information on South Torbian force structures and equipment becomes available.
5. Some RoT capability systems have been changed to meet OBA training requirements and may not reflect what is shown on ODIN.
6. The master for the OBA Green Book resides on the ADF DATE site. ADF members are to access the OBA Green Book from this DATE site. Any suggestions for changes are to be submitted to the DATE Team at HQ FORCOMD (SO2 DATE or aus.dateteam@defence.gov.au).
7. The ADF DATE website link can be found below:

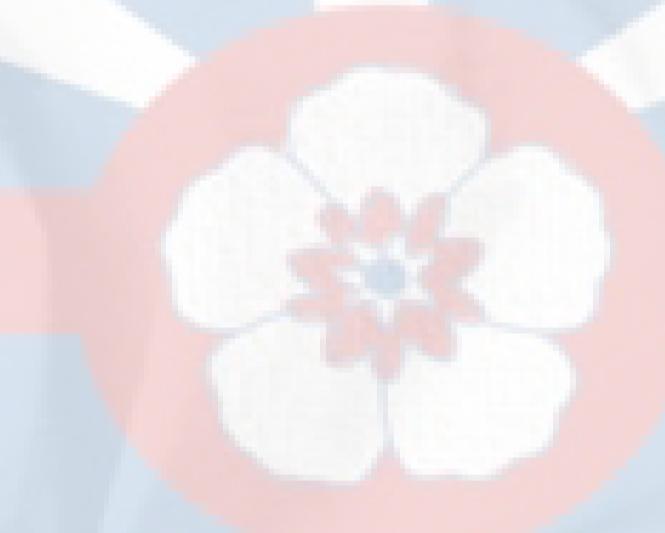

<https://date.army.gov.au>
