Note to Exercise Designers, Instructors and Training Audience/ Students

1. The Belesian Green Book is intended to be used with the OP STEEL SENTINEL (OSS) campaign plan.
2. Not all Belesian Federation Defense Force (BFDF) capabilities will be reflected on this Green Book, **only those relevant to OSS.**
3. More information on the Force Structures of the BFDF can be found in ODIN, link below:

<https://odin.tradoc.army.mil/FS/PACIFIC/BELESIA/BELESIA>
4. Details of these organisations continue to evolve. The ORBATs described within this Green Book will be updated by the Training Adversary System Support Cell (TASSC) within the Directorate of Training Systems at HQ FORCOMD as new information on Belesian force structures and equipment becomes available.
5. Some BFDF capability systems have been changed to meet OSS training requirements and will not reflect what is shown on ODIN.
6. The master for the OSS Green Book resides on the ADF DATE site. ADF members are to access the OSS Green Book from this DATE site. Any suggestions for changes are to be submitted to the DATE Team at HQ FORCOMD (SO2 DATE or aus.dateteam@defence.gov.au).
7. The Australian Army DATE website link can be found below:
