

THE ARMY BATTLE LAB

PRESENTS...

FIGHT TONIGHT

PERSONAL SECURITY

YOU MAY NOT BE INTERESTED IN THE THREAT -
BUT THE THREAT IS INTERESTED IN YOU

CHECK PRIVACY SETTINGS

- Lock down timelines, friends list, likes, groups, photos (by selecting 'friends' or 'me only' in settings)
- Disable geotags and do not tag yourself at military bases or sensitive locations
- Do not post personal contact details
- Tell family / friends to avoid oversharing
- Do not post military photos (unless your settings are 'friends' or 'me only')

PROTECT YOUR PERSONAL DETAILS

- Photographs
- Financial details
- Family information
- Address, email and phone numbers
- Gender / sexual orientation
- Religious / political beliefs
- Date / place of birth
- PMKeys number

MOBILE SECURITY

- Pin, fingerprint or face recognition
- Keep location, WI-FI and bluetooth service disabled when not in use
- Clear historic WI-FI networks
- Accept software updates
- Do not allow microphone / camera access for apps
- Avoid sensitive discussions near mobile devices
- Use encrypted messaging

CHECK FOR COMPROMISE

- WHOIS.COM - Global IP address
- Haveibeenpwned.com - email address / phone
- 192.com address & family records
- Check your friend's social media
